

DATASHEET:-

SIP PH540/150 Hot Water Pressure Washer

Manufacturer Code: 08954

Product Details:

Semi-Professional Hot Water Pressure Washer.

Fitted with 8 mtr Hose Reel & supplied with Pistol and Lance.

Compact & Mobile Design; Large Rear Wheels.

Diesel Fired Water Boiler.

Fitted with Integral Detergent & Diesel Tanks.

Powerful Motor with Integrated Brass Head Axial Pump.

Specification:

Supply: 230v 13A.

Motor: 2700W 3HP 2850 rpm.

Pump: Comet Brass Head 3 Piston Axial Pump.

Max Pressure: 150 Bar / 2175 psi.

Water Flow Rate: 540 Litres / Hours.

Boiler Temperature: 90°C.

Function: Delayed Start Boiler / Total Stop Water Pressure Switch.

Net weight: 85KG.

2 Year Warranty.
