

Notification	
Product Code	NLHDMI-SVGACAB
Short Description	SVGA to HDMI converter capable of 1080p resolution and Audio.
Full Description	The NEWlink VGA to HDMI converter can convert the analogue signal coming from your PC into a digital HDMI signal. This allows you to plug your older laptop or desktop computer into a modern HD television. You can not only enjoy a high definition image but also audio from the 3.5mm stereo socket. Power is provided from the included USB cable; simply plug this into your computer. No external power adapter is needed.
