RS Pro USB Cable For Use With Logic Module

RS Stock No: **917-6395**

Product Details

RS Pro USB cable is suitable for use with logic module. It is specially designed for use in automation, commercial and industrial sectors.

Features and Benefits

- Suitable for use with logic module
- Designed for use in automation, commercial and industrial sectors
- For program download from PC USB port into logic controller

Specifications:

Accessory Type	USB Cable
Application	Automation, Commercial, Industrial, HV ac Controls, Machine & Vehicle Control, Interior & Exterior Lighting Control, Irrigation Control Systems
For Use With	Logic Module
Termination	Plug In
