RS Components Features & Benefits:

7 Piece Window Cleaning Set-

- The set includes –
 - 15 Litre Water bucket with metal handle
 - 30 x 40cm Micro Fibre Cloth
 - 12", 14" and 18" Stainless Steel Window Squeegees
 - 10" and 14" T Bar with Fur Applicators

A professional window cleaning kit, which is perfect for maintaining commercial or residential properties.

Heavy Duty Water Fed Telescopic Brush-

- The strong, lightweight aluminium handle extends from 1.2m to 1.8m
- On/off water feature
- Soft cushioned grip adds extra comfort and insulation from the cold water running through the handle.
- Easily connects to a hose
- Very soft bristle to ensure safe cleaning on all surfaces

Snow Shovel with Wooden Handle-

- Manufactured from fluorescent polypropylene
- Robust snow scoop with 48" wooden handle
- Rust and rot proof
- Non Stick
- Size 398 x 362 x 1582mm
- Lightweight yet durable

1000mm V Sweeper Mopping Unit

- Ideal for ultra speed sweeping of large open areas
- More efficient than a broom and faster than a vacuum
- Refills can be laundered
- Synthetic fibre heads attract and trap dust through static charge
- The scissor action extends to 1.6m when fully open
- Very hardwearing to cope with the physical demands of the workplace

60cm Dustbeater with Frame and Telescopic Handle

- Ideal for hard flooring
- Lightweight yet durable
- The telescopic handle is ideal for storage
- Refills can be laundered

40 Litre Flexi Trug Bucket

- A very versatile product, which has many uses.
- Made of long life plastic UV treated against sunlight deterioration
- Strong handles for easy carrying
- Reinforced edges to avoid splitting
- Super flexible
- Lightweight yet durable
- Ribbed profile for strength

10 Litre Plastic Watering Can with Rose

- Easy grip long handle
- Manufactured from recyclable plastic
- Ideal for smaller watering tasks or where the weight of a larger can would be inconvenient.

20 Litre Mobile Mop Bucket

- Available in red, blue, green & yellow
- Easy maneuverable bucket with handle and tough casters allowing the safe transportation of water for cleaning and preventing spillage and unnecessary back pain
- Bright, visible colours and hazard warning on the side to clearly highlight injury
- Lightweight gear action wringer with long handle providing leverage for easy use

24" Soft/Stiff Pvc Yard Broom with Handle

- This hardwearing, all weather, dual purpose broom offers both a soft & stiff pvc bristle, which allows light dust and heavier duty debris to be swept with ease.
- Predominantly used outdoors but can also be used indoors on hard flooring
- The handle & support bracket has been manufactured with strength in mind and is produced from the highest quality steel
- The product is supplied as 'toothbrush' design with the handle clipped to the broom head which is ideal for display & also storage
