

# Orthomat®

The original fatigue fighter

Our research and knowledge in the field of 'fatigue-relief' for standing occupations continues to drive the development of our Orthomat® range. COBA Europe is regarded as one of the leading names in anti-fatigue matting, offering an unrivalled product choice. Our Orthomat® range has been specifically designed to reduce the onset of fatigue caused by prolonged standing. This durable, yet very comfortable matting is manufactured from 100% closed cell PVC foam, providing the right balance of underfoot cushioning and support, while encouraging healthy circulation. Browse our extensive selection of Orthomat® products to find the ideal anti-fatigue matting for your environment. Our Sales team is always happy to advise on the most suitable product.
