RS Pro Crimp Tool

RS Stock No: **472-6756**

Product Details

RS Pro punch down tool is suitable for terminating wire to both Krone and 110 IDC blocks. The removable double-ended blades allow for punch down action on one end and punch down/cut on the other. The universal punch down tool features a spring-loaded collet allowing for quick fitting of the blades. One blade can be stored within tool body.

Features and Benefits

- Suitable for terminating wire to both Krone and 110 IDC blocks.
- Blades must be ordered separately
- Features a spring-loaded collet allowing for quick fitting of the blades
